Machine MIDI DRILL RIG
Serial number HR0335BJ0610
Delivery date: 06/06/2019 begins 17/06/2019 expires 16/06/2020

WARRANTY AND CLAIMS

In the case of a brand new machine being bought, MAIT guarantees both the quality of the material and the workmanship of the products sold and shall repair or replace at its discretion any parts acknowledged by MAIT to be faulty.

The Buyer will forward at its expense any allegedly faulty parts to the Seller for examination.

Any parts found to fall under the terms of this guarantee will be replaced or repaired without charge to the Buyer, excluding the freight costs and installation costs, the former being paid by the Client and the latter by the Agent, or directly by Mait, as indicated in the International Warranty Rules.

All travel expenses, local transport, boarding and lodging of any technician required will be in any case at the expense of the Buyer.

Any other replacements or repairs, including those on the Buyer's premises will be at the expense of the Buyer.

Those parts of the machinery which MAIT shall obtain from third parties shall be covered by the warranty given by the individual manufacturers.

All those parts that by their nature are subject to particular wear, including those subject to periodic replacement, are not covered by this warranty as well as costs of the machinery downtime and stoppage of its jobsite.

This warranty shall be valid for a period of 2000 operational hours or 12 months, whichever period is shorter, **starting from the date of commissioning (*)** of the machinery to the Buyer.

This guarantee does not include parts subject to normal wear and tear, labour, lubrication and filters.

This warranty shall not be valid in the following cases:

- if the Buyer modifies, repairs, disassembles or tampers with the machinery or if tools or other accessories not expressly supplied or authorised by MAIT are mounted thereon;
- if the machinery is not used, mounted or erected in accordance with MAIT instructions.
- if inappropriate or insufficient fuel or lubricants are used;
- if maintenance has not been carried out in accordance with MAIT recommendations.

The Buyer must advise the Seller in writing of any breakdown the machine covered by this contract undergoes. Any breakdown of the machine does not affect partial or total monthly payments of the Buyer.
